Subject: Lucky T Ranch Breeding Contract

I, _____ enter into the following contract, on this day, _____ of _____ 20____, with Lucky T Ranch; Donald G. or Rachel Thorp.

Lucky T Ranch will not be held liable for sickness, injury, or death of my mare(s) and/or foal while boarded for breeding purposes at Lucky T Ranch.

If in the event of sickness or injury to my mare and/or foal, I give my full consent to Lucky T Ranch to contact and use their Veterinarian: Clark Kinghorn DVM, of Kinghorn Veterinary Clinic, and I will pay all vet bills before the return of my mare and/or foal.

All expenses, breed fees, chute fees (Artificial Insemination), mare care, and Veterinary Services will be paid in full, prior to pickup of my mare and/or foal at Lucky T Ranch.

Delivery of mare(s) to and from Lucky T Ranch is the responsibility of the mare owner, unless other arrangements have been made prior.

Mare(s) will be current on all vaccinations before arriving at Lucky T Ranch, or I will pay Lucky T Ranch \$45.00 to vaccinate my mare(s).

Vaccinations required are:

Rhino/Flu 5-Way
Potomacguard

I agree to pay \$_____ breed fee

I agree to pay \$_____ mare care **\$6 dry/\$10 wet**

I agree to pay \$_____ chute fee (Artificial Insemination/Shipped Cooled Semen)

In return for breed fees, and mare care Lucky T Ranch guarantees me a live foal that will stand and suck. In the event that my mare does not settle, aborts, or delivers a still born foal, Lucky T Ranch will re-breed my same mare, or another mare of equal quality. Said re-breed will be for cost of mare care and vet costs, less the breed fee.

LUCKY T RANCH DOES NOT REFUND BREED FEES!

All mares will be live covered by hand or Artificially Inseminated depending on the agreement between Lucky T Ranch and the mare owner. WE DO NOT PASTURE BREED OUTSIDE MARES. **SO YOUR MARE MUST BE HALTER BROKE UPON ARRIVAL, OR THERE WILL BE A TRAINING FEE!**

Lucky T Ranch will hold registration certificate of un-born foal until that foal is born, stands, and sucks. Unless other arrangements are made prior to foaling. This is simply so we can see the foal!

Lucky T Ranch will not hold mare owners responsible for damage to property or bodily injury to owners, employees, or the breeding stallion. As long as mare Owner states all if any problems, or unusual behaviors of mare and/or foal.

I fully understand and agree with contents of this contract.
